

# MC0114111-A-LTE 101170

## LTE 800/GSM 850/900/1800/1900 MHz/UMTS/LTE 2600 GSM/UMTS/LTE

### Technical Specifications:

|                           |  |
|---------------------------|--|
| Frequency Range:          | 698-960/1710-2690 MHz                  |
| Polarization:             | Linear                                 |
| Gain:                     | 2dBi                                   |
| V.S.W.R:                  | < 2.0                                  |
| Impedance:                | 50Ω                                    |
| Dimension:                | approx. 104.6x15x1mm                   |
| Cable:                    | 2,0m RG174                             |
| Connector:                | SMA (male)                             |
| Radome Material:          | ABS                                    |
| Mounting Method:          | Adhesive                               |
| Operating Temperature:    | -40°C to +85°C                         |
| Relative Humidity:        | Up to 95%                              |
| Vibration:                | 10 to 55Hz with 1.5mm amplitude 2hours |
| Environmentally Friendly: | ROHS compliant                         |
